

SISTER

By: Meghan Lowery

Having a sister around is like having a best friend
A sister is a gift to the heart and a friend to the spirit of golden thread
The flesh of the Lord gave a special love
Love to a sister it is like an angel, always by your side
Never steps out the door for fear
You always feel full of love and happy like there is no tomorrow
So you have your right cheek, you shed no tear
But you may pray your life away
A sister is strong and brave
She takes a step forward to the world
And it takes her out to a bigger place
You can always rely on the same girl for your whole life
She is your friend to the end.
